I like your version. How about running that by region 3?

Cynthia –

We received a new draft of the Rahall letter from Region 3 today. My sense is you had something much shorter in mind. Here is my alternative.....

Dear Congressman Rahall.

Susan,

Attached is a revised version of a letter to Congressman Rahall. As you recall, during the phone call a week or so ago Region 3 agreed to modify the letter. We would like to send it this week. Please take a look so that I can get back to Shawn and move the letter. Thanks.
